

FinancialRP 30-Day Wealth Checklist

Crypto • Real Estate • AI Income • Social Monetization

Use this checklist to execute your first full month of digital wealth building. Follow the steps in order and focus on progress—not perfection.

Powered by @financialrp

Week 1: Foundation & Setup

- ■ Open a brokerage account for stocks/ETFs.
- ■ Create a crypto exchange account.
- ■ Set up a secure crypto wallet.
- ■ Track net worth and monthly expenses.
- ■ Set a weekly investing budget.
- ■ Follow @financialrp on Instagram and save 5 posts.

Week 2: First Investments

- ■ Invest in an index fund or ETF.
- ■ Buy your first Bitcoin or Ethereum position.
- ■ Research 2 high-potential altcoins.
- ■ Learn basic chart patterns.
- ■ Set price alerts for your assets.

- ■ Track your first investment week.

Week 3: AI Income Setup

- ■ Choose one AI income stream (content, freelancing, products).
- ■ Create a Fiverr or Upwork profile.
- ■ Learn 5 core AI prompts.
- ■ Create 1 AI-generated product or service.
- ■ Post your first AI-powered offer.
- ■ Track your first AI revenue attempt.

Week 4: Social Monetization & Scale

- ■ Launch or optimize your Instagram niche page.
- ■ Post daily for 7 days.
- ■ Add affiliate links to your bio.
- ■ Research digital product ideas.
- ■ Reinvest first profits.
- ■ Review all progress and refine strategy.

Final Rule

Execution beats information. Most people fail because they stop after Week 1. Complete all 30 days and your financial life will be permanently upgraded.
